

2016-17 On-Campus Meal Plan Information

Realizing that one size does not fit all, University of Portland offers several dining options to fit your lifestyle, appetite, and budget.

All meal plans operate on a declining balance or debit system. Depending on the meal plan selected, students begin each semester with a set amount of Dining Points, which are electronically added to their meal plan balance. Food purchases are withdrawn from your meal plan balance as you purchase items from any Bon Appétit location on campus.

Plenty of food choices, campus locations, eat-in or take-out – it's all here for you!

Residents select dining options for each semester. Fall term meal plan changes are permitted through the second Friday of the Fall semester. Changes for the Spring semester must be submitted by the first Friday of the Spring semester. Students must complete the online Meal Plan Change Form to request a change.

Additional Dining Points can be purchased throughout the semester through the Bon Appétit Office in Bauccio Commons. You can also use cash or cards to purchase meals in the dining halls.

Dining Points for a given academic year must be used by the end of the Spring semester. Unfortunately, there are no refunds, transfers of Dining Points to other students, or carryover opportunities.
